

Attorney for Plaintiff  
Michael Holtsinger

MICHAEL HOLTSINGER,  
Plaintiff,  
vs.  
TANYA VOROS,  
Defendant.

NO. CIV S-03-0732-MCE-CMK-P  
**AMENDED STIPULATION AND ORDER  
RESETTING DEADLINE FOR EXPERT  
WITNESS DISCLOSURES**

The parties stipulate and request the Court to order that the deadline for expert witness disclosures on the Amended Order After Status Conference (Doc. 253) is continued from its currently scheduled date until Wednesday, May 20, 2009. This continuance is necessary because counsel for Attorney for Plaintiff is scheduled to be in a jury trial on April 28, 2009 in another court in Case No. 2:01-cv-0412-LKK, Lyons v. Baughman, et al., and counsel for Defendant recently completed a trial. In addition, the jury trial in which Plaintiff's counsel is involved was delayed due to illness of one of the attorneys, and Defendant's expert needs additional time to complete a report.
